

To: Whom It May Concern

The Chiesi Trust was launched in January 2009 with the aim of providing financial support to small 'kitchen-top' charities which struggle to raise funds to help their local communities. The Trust was set up by Chiesi Limited, a healthcare company based in Cheshire, as part of its social responsibility to local communities in the UK.

In the months since its launch, the Trust received numerous applications for funding via its website. The applications were considered by the Board of Directors of Chiesi Limited in May 2009 and the following applicants were successful.

- ❖ Butterwick Hospice Care
- ❖ Cambridge & East Anglian Retinitis Pigmentosa Association
- ❖ Cheadle Hulme Communicare
- ❖ Northern Ireland Children's Hospice
- ❖ Ty Croeso
- ❖ Winchester Young Carers Project

We have now closed the applications for this year and would like to thank all charities who applied to the Trust this year.

We like to take this opportunity to wish all applicants every success in their efforts to improve the lives of people whom they are supporting in their daily work.

Yours truly,

Managing Director
Chiesi Limited
