**Declaration of Sponsorships made by Chiesi Limited to Patient Organisation  
based in the United Kingdom for 2008**

Under the Association of British Pharmaceutical Industry's Code of Practice 2008 Edition, it is incumbent upon member companies to make publicly available the financial support and / or significant indirect / non-financial support given to patient organisations on a yearly basis.

In 2008, Chiesi Limited provided financial support to these two patient organisations:

- Asthma UK
- Cystic Fibrosis Trust

The next update to this declaration will be made for support given in 2009.
