

## Chiesi named one of the UK's Best Workplaces™ 2024

Manchester, UK, 28<sup>th</sup> March 2024 – Chiesi, the international research-focused biopharmaceutical and healthcare group, announced today its official recognition within the UK's Best Workplaces™ 2024 by Great Place To Work®, ranking 39th out of 105 in the large category. Chiesi's 2024 position marks a 13 point improvement versus 2023.

Great Place To Work® is a global, independent authority assessing companies on their workplace culture, human resources policy and practices. They surveyed over 250,000 employees to determine the top companies recognised as the 2024 UK's Best Workplaces. Those awarded are required to demonstrate their dedication and practices to inclusivity and employee empowerment.

*"Our position in the UK's Best Workplaces List recognises the supportive culture and strong values at Chiesi, which is something that we are incredibly proud of" said Ralph Blom, Managing Director of Chiesi Limited (UK and Ireland). "Our culture insists that we each bring our true selves to work so that we can achieve great things together and make a real difference in the lives of the patients we serve."*

The UK's Best Workplaces™ List uses employee survey feedback to evaluate the effectiveness of employee value propositions against actual workplace culture. Only businesses with the highest scores in demonstrating unwavering commitment to employee development and individual growth receive Best Workplaces™ status.

This most recent accreditation contributes to a continuous stream of employer-based awards received by Chiesi UK, including Great Place to Work-Certified™ organisation, UK's Best Workplaces for Wellbeing, UK's Best Workplaces for Women, Menopause Friendly Employer, Employers for Carers, Disability Confident Employer and Pregnancy Loss Pledge employer.

If you would like to be part of a *Great Place to Work*, see Chiesi's latest vacancies here <https://www.chiesi.uk.com/join-chiesi>.

### *About Chiesi Group*

Chiesi is an international, research-focused biopharmaceuticals group that develops and markets innovative therapeutic solutions in respiratory health, rare diseases, and specialty care. The company's mission is to improve people's quality of life and act responsibly towards both the community and the environment.

By changing its legal status to a Benefit Corporation in Italy, the US, and France, Chiesi's commitment to create shared value for society as a whole is legally binding and central to company-wide decision-making. As a certified B Corp since 2019, we're part of a global community of businesses that meet high standards of social and environmental impact. The company aims to reach Net-Zero greenhouse gases (GHG) emissions by 2035.

With over 85 years of experience, Chiesi is headquartered in Parma (Italy), operates in 31 countries, and counts more than 6,500 employees. The Group's research and development centre in Parma works alongside 6 other important R&D hubs in France, the US, Canada, China, the UK, and Sweden.
